Making Your Life Count X ATHLETES IN ACTION

Interviewing **Olympians** this Summer was exciting! I had an opportunity to walk listeners through two athletes' journey entailing their personal lives, family, challenges, dreams, and how their faith in Christ intersected their Olympic endeavors. Here is the link to hear athletes' that were interviewed.

Exposure to Opportunities

This summer also opened an opportunity to train several high school 100 and 400 hurdlers with Amateur Athletic Union (AAU) Track and Field. They had the experience of going to the Junior Olympics in Jacksonville, FL. Several of the athletes also listened to the podinars mentioned above as they dreams of future Olympics. Meet Josh and RJ from the Florida Flyers team I coached.
